

Club Development Program 2018  
Round 2

Information & Application Form

## Program Information

Club Development Program will again be coordinated in 2018 with all member associations invited to apply. The application process has been streamlined so that clubs can access funding for their development initiatives and to ensure the process is fair and transparent.

All clubs can apply for grants of up to \$800 towards projects which are aimed at increasing the levels of participation at the club or improving the skills of club volunteers. All applications will be considered, if it is a smaller program/project and only requires \$300, TTQ would encourage your association to apply. All clubs have equal opportunity to apply for this funding.

The funding can be used together with other sources of funding towards improved projects.

## Sample Projects

### Participation

- Running Come and Try Events
- Female participation programs/events
- Running Introduction to Table Tennis Events in Schools
- Advertising or development of marketing materials
- Other participation programs

Preference will be given to new/one-off programs and events. Eg new junior participation programs and come and try events. Please note that these lists are not comprehensive – other relevant types of projects may be acceptable.
